CHECK PASSPORT EXPIRY TODAY

It has come to our notice that lot of us don't keep record of Expiry of date of Passport. As a rule you cannot travel on passport if it is expiring within 6 months from your travel date. As lot of us have parents and relatives and during emergency we have to travel at short notice.

So please check your passport/ visa today and keep reminder.
If they are going to expire soon then there is no harm in applying new one now.

Advertisement for Business - Will be Charged

The Indian origin community continues to grow in Illawarra and we welcome each new community member to Illawarra. With the growth in the community, it is particularly heart-warming to see many businesses run by our community members as well. IACAll supports all such businesses.

IACAll is a not-for profit organisation and has never received any support or funding from any government or other organisation. IACAll relies on its meagre income to fund various activities that it conducts throughout the year. With increasing demand for IACAll's community support, It is becoming increasingly difficult to continue to provide all such services for free or at a substantially subsidised cost. We also believe that it is unreasonable of us to frequently seek financial support from a limited number of community members.

With this in mind, IACAll has no other choice but to charge a token amount of **AUD25.00** for each email circulation requested by any community business or any community member looking at deriving any economic benefit through IACAll support. This charge is well below our cost and we believe that it is easily affordable. If you wish to circulate an email, please deposit the sum of **AUD25.00** in the following bank account and send us an electronic receipt via email to info@iacagong.org together with your advertisement. Such advertisement must be in jpg or pdf format. These charges are applicable each time you request to send an email of your business.

As of now we have more than 800++ email id of community members living in Illawarra and also Facebook page where we can add your advertisement.

BSB No : 814282
Account No : 42187011
Account name : Indian Australian Cultural Association of Illawarra, Inc.

We look forward to continue to support all community businesses and in turn, such businesses to support IACAll.

Wishing you all the best,
Regards
